An Original American Classic

DENVER, CO —Five of the best youth-oriented stories you will ever read! You will be happy to share *Heart-to-Heart* with your teen/youth.

Elga Haymon White, author of *Pure Rhapsody*, *A Children's Christmas Duo*, and other books, show why she is one of modern America's strongest youth advocates. Her stories are filled with wholesome adventures which always teach a valuable lesson and reinforce moral and virtuous values that we, as adults, long to preserve in the lives of our youth.

Heart-to-Heart shares in the story, *The Gold Locket*, a young man's search for a new life in a new land, rewarding him much more than he ever dreamed he would receive. *Carrie of Ardelean*, set in Kingston, Jamaica, finds two teenage girls whose friendship transcends their very different backgrounds—proving that love is stronger than tradition. *Lebanon McCabe* finds his heart has been captured when a lovely, young city girl spends a summer in his rural town. Music provides the spark and love, once again, triumphs over physical adversity. The story, *Kacey Judd Goes South*, is a young woman's journey to find her roots, and is taught a more valuable lesson about life. *The Shepherdess* is a stunning example of what can go right in life when proper attitudes and beliefs are embraced.

Make this book 'official' in your home library. Start a weekly book-reading session with Elga Haymon White's *Heart-to-Heart* and recapture the passion and love you received from your parents as a teen/youth.

It has always been in Elga's heart to write stories for children and youth, stories with the true meaning of life and the joy of living life to its fullest. *Heart-to-Heart* is a wonderful example of the stories Elga has longed to share with youth. She has written short stories and poems since she was a child and has also been an avid reader. Her brother, Rev. Donald E. Haymon, commented to his congregation not long ago, "I remember Elga reading *Nancy Drew* and *The Hardy Boys* to my brother and me when we were boys." Now, this author continues to spin her magical words within the hearts of youth the world over. Elga is proud to announce that her latest story/coloring/activity book for children, *A Children's ADVENTURE Duo...* will be published by Entry Way Publishing. This book is due out by July 2006.

What we know about the writer is this... she has only just begun!
